

Be Cool

Why be without an Electric Fan any longer? It is a mistake to swelter when the twitch of a switch will fetch cool, refreshing breezes in an instant. An Electric Fan is an inexpensive joy these hot days. You can use it in any room in the house. Why let children fret and older folk suffer when for less than a cent an hour an Electric Fan will make any day tolerable and insure restful, unbroken sleep through the long, hot nights. You really should ORDER your Electric Fan TODAY.

Trent About to Be Taken by the Italians.

CASA RELLA FOUNTAIN.

Trent, one of the Italian cities which has been under the government of Austria, is about to fall into the hands of the Italian army, which has pushed north. There will be great rejoicing in Rome if the city falls. At the same time another army is so near Trieste, another city taken from Italy, that there are indications it will fall. With the capture of these the purposes of Italy in entering the war would almost be accomplished.

ANDERSON WOMAN RELIEVED OF PEL-LEGRA

My hands were cracked open bleeding, the burning of hands and feet was unbearable. My doctor told me I had pellegra. After using one \$5.00 bottle of NANZETTA'S FRESHSCRIPTION, my hands are healed; the burning sensation has gone, and I feel better than I have for months. I can not say, or do too much in getting others to use your remedy. I think it is a GOD send to the afflicted.
